Blanchard Springs Caverns

Mountain View, AR

Sponsored by the Mountain View Area Chamber of Commerce 1-888-679-2859

Blanchard Springs Caverns is the setting for this special Holiday event. Local musicians will perform traditional carols in the cathedral-like atmosphere. One visitor said it best, "I was underground but never felt closer to Heaven!"

An elevator transports you to the seating area where you will enjoy the beauty of the caverns while listening to regional interpretations of classic carols. At one point you may join the singing or just savor the indescribable sound that occurs in this underground cathedral room.

Not only are the matinee performances each Saturday and Sunday this year, but also being offered, with the matinee performances only, is an "Early Bird" special walking tour of Blanchard Springs Caverns. For those unfamiliar, on the tour you will see magnificent crystalline formations, sparkling flowstone and towering columns. For this tour you must be at the cave by 1:00 pm.

"Caroling in the Caverns" ticket prices are \$18.00 or \$25.00 for a combination "Early Bird" tour and matinee performance. Tickets are non-refundable. Make plans now to attend this Christmas Concert which is sure to become one of your favorite events of the holiday season! Advanced tickets required. (See below to order.)
