Blanchard Springs Caverns is the setting for these special events. Local musicians will perform traditional love and Celtic folk style music in the cathedral-like atmosphere in honor of Valentines Day and St. Patrick's Day. One visitor said it best, "I was underground but never felt closer to Heaven!"

An elevator transports you to the seating area where you will enjoy the beauty of the caverns while listening to regional interpretations of love melodies and Celtic Classics. At one point you may join the singing or just savor the indescribable sound that occurs in this underground cathedral room.

Matinee performances are available each Saturday and Sunday this year, with the matinee performances only, is an "Early Bird" special walking tour of Blanchard Springs Caverns. For those unfamiliar, on the tour you will see magnificent crystalline formations, sparkling flowstone and towering columns. For this tour you must be at the cave by 1:00 pm.

"C" ticket prices are \$18.00 or \$25.00 for a combination "Early Bird" tour and matinee performance. Tickets are non-refundable.
